20/7/24

Thanks to those who completed the questionnaire which we'll use to inform our school improvement plan for future years.

A special thanks to those who have offered to come and help the school with their activities. (However, we need to be mindful of Local Authority procedures in relation to Safeguarding and Volunteering).

**Parent Questionnaire Summary Summer 2024.**

Out of a school roll of 180 children there were 33 responses. (18% of the school population).

95% said their child liked the school most / all of the time.

100% said the school helped their child settle when they started.

100% agree the school is a safe place.

47% said the school responds well to issues (47% said they'd had no issues).

91% said the school offers their child a variety of learning activities.

50% said their child receives the support they need (47% said it wasn't applicable).

91% said the school keeps them well informed of their child's progress.

88% said the school seeks the views of parents.

91% said the school responds to their feedback and if relevant act on it.

92% said that if they share issues with the school leaders respond to them.

94% said the school shares important information in a timely manner.

97% said they would recommend the school.

**Thanks very much for your cooperation.**

**Remember if you have any opinions or ideas please contact the school at any time.**
