3/10/25

Dear Parent / Guardian,

We've had unprecedented levels of Sickness and Diarrhoea (including Norovirus – also known as the 'Winter Vomiting Bug') in school over the week.

**Based on information from Public Health Wales Health Protection Team**

**Children must be kept away from the school for 48 hours from the last episode of diarrhoea or vomiting.**

Classes will be deep cleaned prior to school starting again on Monday but we need your help to reduce the spread of any illness by following the information above.

Thanks for your cooperation.

Arwel Wood  
Headteacher.

**If you require further information or a copy of this letter in Welsh please contact the school.**
